

Victim Video Statements*\$5.9 million operating \$0.5 million capital*

This initiative allows victims of family violence incidents to give statements in a less intrusive and time-consuming manner in their own words. This will be achieved by enabling Police responding to an incident to record an audio-visual statement from a victim at the scene.

Violence Intervention Programme: Health Sector Screening for Early Intervention and Prevention of Family Violence*\$2.7 million operating*

This initiative supports safe, consistent and effective responses to family violence in every community by continuing training for health practitioners in District Health Boards.

Expanding essential specialist sexual violence services**Sexual Violence Services: Crisis Support Services for Children and Young People***\$24.9 million operating*

This initiative aims to increase child wellbeing by providing funding for age-appropriate sexual harm crisis support services for children and young people.

Sexual Violence Services: Developing Kaupapa Māori Services for Victims/Survivors, Perpetrators and Their Whānau*\$7 million operating*

This initiative aims to reduce the severity and duration of trauma-related symptoms experienced by Māori victims/survivors and perpetrators of sexual violence and their whānau. This will be done through providing funding to enable the development and co-design of holistic, whānau-centred kaupapa Māori specialist sexual violence services.

Sexual Violence Services: Improving the Wellbeing of Male Victims/Survivors Through Peer Support Services*\$12 million operating*

This initiative aims to reduce the severity and duration of trauma-related symptoms experienced by male victims/survivors of sexual violence.

Sexual Violence Services: Increased Services for Children and Young People with Concerning/Harmful Sexual Behaviours*\$15.9 million operating*

This initiative provides funding for increased service capacity to meet demand for prevention, education, early intervention, assessment and treatment services for children and young people who display concerning and harmful sexual behaviours.

Sexual Violence Services: Increasing Access to Crisis Support Services for Victims/Survivors*\$50.6 million operating*

This initiative aims to reduce the severity and duration of trauma-related symptoms experienced by victims/survivors of sexual violence. This will be done by providing more sustainable funding for crisis support services including ensuring they are available 24/7 at a level that meets current demand.

Sexual Violence Services: Support for Victims/Survivors of Sexual Violence Going Through the Criminal Justice System*\$6.3 million operating*

This initiative aims to reduce secondary victimisation of victims/survivors of sexual violence going through the criminal justice system. It is also expected to increase convictions rates for perpetrators by reducing the current attrition rate of sexual violence cases. This will be done by funding specialist services to provide counselling, social work support and help preparing for the court process.
